OCEAN ANGLER SLIDERS VARIETY OF COLOURS - WEIGHTS 40-200G

These lures are so easy to use and effective on various species, especially snapper, kingfish, blue cod, kahawai, john dory, gurnard etc, that many top charter operators base their operations on their fish-catching charms throughout the year; no wonder so many bait fishers have converted over to them!

"Just pick up your lure bag - no bait or burley necessary - and off you go!"

•TOP TIP: Best fished on the drift. Sliders are dropped to the bottom then slowly wound upwards a few metres, before being dropped back down again.

WEIGHTS: 40, 60, 80, 100, 140, 200, 240 GRAMS
POPULAR COLOURS: Lumo, Orange Gold, Pink White, Candy Apple, Bruised Banana, Rasta Man

•COLOURS: Including classics such as: Bruised Banana, New Penny, Nuclear Chicken, Motor Oil, Bleeding Banana, Naked Pilchard, Sexy Penny, Redbone, and Pearl.
